

RESCUERXX™

WHAT IT IS

A highly effective daily keratin treatment that repairs damaged nails with the power of keratin protein and conditioning jojoba oil.

WHAT IT DOES

- Clinically proven results:
 - 1 week results - used 2x per day:
 - 70% said nails felt thicker
 - 80% said white surface patches were less noticeable
 - 80% said the condition of the nails were noticeably improved
 - 4 week results - used 2x per day:
 - 73% saw a decrease in splitting
 - 80% saw a decrease in peeling
 - 69% saw a decrease in white surface patches
- **RESCUERXX™** helps to strengthen damaged and weakened natural nails that have been harmed by environmental or mechanical trauma.
- **RESCUERXX™** will help stop the perpetuation of further delamination and/or splitting.
- Also has the conditioning properties of jojoba oil and sweet almond oil to nurture and soften the skin around the nail plate.

WHY YOU NEED IT

To help repair nails damaged by mechanical force and environmental effects.

FEATURED INGREDIENTS & BENEFITS

Joboa Seed Oil (*Simmondsia Chinensis*):

Deeply penetrating natural oil for excellent moisturizing and conditioning. Jojoba Oil acts like a carrier to increase penetration of other ingredients.

Keratin Protein:

A main component of the natural nail, solubilized keratin proteins bond to the natural nail to help strengthen the nail plate.

Sweet Almond Oil (*Prunus Amygdalus Dulcis*):

Softens and conditions.

DIRECTIONS FOR USE

- Apply to bare natural nails twice daily, massaging into the entire nail, extension edge and cuticle.
- Allow **RESCUERXX™** to completely penetrate for at least 30 minutes prior to washing hands.
- Use for up to 4 weeks for optimal results.

CND offers comprehensive education opportunities. Check the education section of cnd.com for a course near you.

CREATIVE SUGGESTIONS

- A new Nail Rescue treatment for the salon service menu.
- **RESCUERXX™** is an ideal retail opportunity.
